

Bring the whole family

Come and stay with us at The Manor Country House Hotel. We are ideal for guests looking for a truly relaxed get away location but only minutes from Oxford. We provide good food, a relaxed atmosphere and great service and all in the quintessentially rural village of Weston-on-the-Green. Easy to find and only 50 minutes from London via the M40 or by train direct to Bicester North. We are only a 15 minute drive from Oxford, 5 minutes from the shopping Mecca of Bicester Village, and only a stone's throw away from Blenheim Palace. With so much going on in Oxfordshire and the Cotswolds, there's a whole range of interesting activities to make your stay with us as enjoyable as possible.

Famously dog friendly with a canine menu and kids with muddy boots are made very welcome, so why not consider us as "your" place in the country.

Relax and unwind

Play tennis, croquet, or go for a swim. Wander around our historic topiary gardens and 12 acres of grounds or take a stroll down to The Black Sheep, our traditional English pub, only three minutes from our front door. Escape for an hour and curl up in The Snug with a good book and a glass of something relaxing or there are a number of classic Oxfordshire countryside walks you can enjoy to tire out the kids and dogs before dinner.

Remember, this is your home so take the weight off and relax and unwind.

Food for all occasions

From breakfast, lunch, afternoon tea, to light bites in the bar and our a la carte dinners, eating at The Manor is always a pleasure. From a Pimms on the croquet lawn, a coffee and a Club sandwich with friends in the lounge, a burger and chips in Bertie's Cocktail Bar with some business colleagues, a networking Supper Club or an anniversary celebration, The Manor is the ideal venue for all occasions.

Our medieval Baron's Hall with its Tudor oak-panelling lends itself perfectly to the atmosphere of a more formal occasion whilst our Georgian Room is a comfortable open space for a relaxed meal with friends or colleagues.

Enjoy an English pub in the countryside

Enjoy a beautiful country walk and bring your dogs to our own pub, The Black Sheep, in Weston-on-the-Green for a quick pint or a change of scenery. The Black Sheep is a beautifully-kept traditional Oxfordshire pub with a thatched roof and limestone walls. The pub has a large dining area inside, some great outdoor areas where you can enjoy the fine weather and a lounge bar with roaring fires in the winter – perfect for cosy nights with friends.

So much to see and do!

There's so much going on across Oxfordshire and the city of Oxford is full of famous attractions including the world-renowned Ashmolean Museum, the Pitt Rivers Museum and Oxford Castle Unlocked. Enjoy a walking tour of the Oxford University Colleges or take the weight off your feet with Oxford's Hop On Hop Off Bus Tour. Follow in the footsteps of Inspector Morse and enjoy a refreshing pint in one of Oxford's traditional pubs. Local theatres include The Oxford Playhouse and The New Theatre and our friendly and well-informed staff can advise you on a whole range of interesting local activities to make your stay with us as enjoyable as possible.
